Good Morning Optimists!

Greg Young, our new treasurer, was the lone greeter today. Did he plan to be at the door to confront each member as they arrived with his hand out for dues money? Nah! He greeted all with a smile and a “Good morning.” Good work, Greg!

Remember, *Dues are Due!* You can help out Greg by getting in your dues promptly. And, it will be greatly appreciated if you can pay for the full year... if you get them in prior to December 1st, you get a \$5.00 discount!

Invocation and Pledge

Past president **Phil Perington** asked our Heavenly Father to help us “work for the best,” part of our Optimist Creed, and led us in the pledge of allegiance to the flag of the United States of America.

Welcome Guests

Phil Perington presented his father, Al, who has been with us before, and added that he is now a new member of the club. Welcome, **Al Perington!** Al is a long time Optimist, a member of South Denver Optimist Club in the 1960's. Phil also recognized the attendance of **John Greene**, who has been missing in action recently.

President's Comments

President **Ron Cisco**, absent coat and tie, continued his trivia questions. Also, he reported on

his experience with coat and tie last Friday—*he didn't get the job, and things didn't go well in court.*

Ron stated that, **O.C. Larson** won the pool among Directors for how many games the Rockies would win in the regular season: 92. He says the amount received was \$1,028 minus a \$1,000 entrance fee.

Ron also shared, that our club is mentioned on the joke page of the current *The Optimist* magazine, on page 32. “Lessons from Mothers and Fathers,” Courtesy of the Optimist Club of Denver-Monaco South, Colorado. Example: *My mother taught me about contortionism - “Look at that dirt on the back of your neck!”* And, *My father taught me about anticipation - “Just wait until we get home.”*

President Ron recognized **Paul Bernard** for being our weekly speaker coordinator. If you have ideas for speakers, please see Paul.

Last week, **Jack Kitchell** announced that his wife, Jan Collier, is now selling windows and siding—a #1 Rated Vinyl Window by *Consumers Digest* for the last 18 years. It qualifies for the Energy Tax Credit. Any referral provided to Jan, who buys windows and/or siding, the company will donate up to \$200 to MSOC. You can contact Jan at, 303-918-4838.

Bryce Slaby solicited signatures on a huge "card" (well it was a big sheet of paper) for **Don Thomson**, who is recuperating from back surgery. We hope to see you back soon, Don. We understand you are healing well.

Was it Joe's BD, or Wasn't It? **President Ron** asked **Joe Marci**, "How many was it?" Joe responded, "This isn't my birthday, it's January 28th." We sang(?) the happy birthday song anyway. We needed the practice. Thanks Ron!

Supermarket Sales

Cy Regan reports sales of \$1,275 with \$925 at King Soopers and \$350 at Safeway.

New members: have you

talked to Cy about your involvement? Buy cards of \$25, \$50, or \$100 at face value. The club retains 5% as a fundraiser; we will need all the funds we can get this year according to the powers that be.

Bill Walters shares, what love means to a 6 year old. *Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs.*

First Citizenship Award Program at Slavens Elementary School, by Joe Marci

On Friday, October 9th, the first citizenship program for this year was held at Slavens Elementary School. Two of Monaco South's finest pinch hit for **Tom Hoch**, the coordinator and **Don Thomson**, the scheduled presenter. **Joe Marci** presided for Tom and shared info on what else but our upcoming Christmas Tree Lot, which funds this and all the programs we conduct yearly. He then introduced **Ralph Pedersen** who gave information on the citizenship certificates which are signed by not only our club president, but include signatures of the mayor, chief of police, school principal, and school teacher. Ralph did a great job in pronouncing all the names correctly and read a write up provided by each student's teacher. **Don St. John** took pictures of each of the award winners and their families.

The following is a sample of what one teacher wrote about her second grade student: "*Maryn Powell is the type of child that puts a smile on your face every time you look at her. Her happy, bubbly outlook on life, ability to help others, and hard work ethic makes her a delight to have in class. Maryn takes on a motherly role in our classroom by putting others wants and needs in front of her own and always going out of her way to help any child in need. Maryn is actively engaged in the classroom and works hard to grow as a learner. It is an honor to work with a child as caring and compassionate as Maryn.*"

We received many compliments about the Super Citizenship program as well as other programs our club conducts from several of the parents. Any MSOC member who wants to be a presenter at a future citizenship program should contact Joe at a meeting or by calling 303-771-3748.

Speaker for Today

Leap into Life: Letting Go of the Fear of Decisions and Change

Paul Bernard introduced Sally Bonkrude. Ms. Bonkrude came in this morning from above Blackhawk, CO requiring a wakeup call at 4:00am. She told of a personal experience when she had to let go of the fear of change and making decisions. Moving from Minnesota, where she had built a successful business clientele, to Ohio where she didn't know a soul, caused her to cry and feel sorry for herself. A neighbor (an Optimist no doubt) came to call on her, and noticed her emotional plight. "Let's take a walk," she said and as they walked she listened to her story. Sally now says, "We need a friend/neighbor to jar us loose from our fears." She proceeded to look at her situation with "new eyes" and started to rebuild her business in Ohio.

As children we see limitless possibilities, leaping in the Spirit of Play. Later, with responsibilities, we see limits, feel fear and feel frozen in our situation. That is when we need to leap and leap again into life. "Find Your Rhythm, Explore New Things. Remember: *A Wrong Decision takes you one step closer to a right decision.*

From Sally's website at: www.positiveinterchange.com

Sally has an extensive background in speech, theater, music and teaching which gave her many opportunities to learn the ropes in her own struggle with performance anxiety. This performance based background ignited Sally's passion for researching available resources on the subject. This research enabled her to find what really works and what doesn't. Her moment of inspiration came as a children's performer, presenting to thousands of children nationally for 15 years. It was in this practice of working with children that Sally discovered how the gifts of childhood could be reclaimed and applied by adults to master their own fearless, peak performance.

Sally continued to develop her innovative approach

through the completion of her Masters Degree in Transpersonal Counseling Psychology, her Music Therapy Certification, her Advanced Gestalt Training, her advanced training in Internal Family Systems, and extensive training in voice.

Today, Sally speaks nationally as an expert on moving from fear and anxiety to freedom and Conscious Performing. She presents PowerUp Performance Seminars that jump start people to achieve anxiety-free, successful performances. In addition, Sally works individually with people to accelerate their success.

Sally is known for her natural, organic inner processes that transform the downward spiral into fear, loss of confidence and opportunities - into an upward spin of energetic, positive, performances that, in turn, lead to career advancements, money and success.

Sally can be reached at 303-717-9580 or by email at: Sally@positiveinterchange.com.
