Good Morning Optimist

Greeting us this morning were **Chris Dunphy** and **Don Thomson** smiling, shaking hands and bringing good cheer to all in great spirit. While **Frank Middleton** was doing an excellent job at spreading everyone around the room this chilly morning, adroitly applying his crafty sleight of hand card tricks. It was truly a joy watching a master at work.

The air wafted pleasant breakfast aromas of hungry chow hounds were treated to a bounty of fresh fruit and Danish, juice, fluffy scrambled eggs, sausage patties, hash browns, oatmeal, and plenty of hot coffee.

First Bell

President **Craig Eley** gaveled the collected together at 7:05 a.m. sharp and presented his original inspiration: "*The week before Christmas at Monaco South.*" A round of cheers came forth followed by the *Pledge of Allegiance*. (A copy of Craig's mentally stimulation can be seen on page 3.)

Guests

Friend of Optimist (FOO) and longtime member **Leo Hagele** was in the house and having fun laughing and sharing moments with all his friends and fellow Optimist buddies. Editor: *It's always great seeing Leo. BTW, Leo will be always looking for visitors at his Eastern Star Retirement Home on S. Quebec, so give him a call at 303-753-2134. Leo has a birthday on January 5th.*

From the Prez

The Club received a very cute and original handwritten and designed "Thank You Card" from The Boys and Girls Clubs of Metro Denver for our Thanksgiving dinner. It included a delicious looking drawing of a roasted turkey and piping hot pumpkin pie. There are some excellent artists hanging about at the Kids Club.

He then shared a reminder of the present wrapping at the Sewell Center for Children today, hosted by Marilyn Brown Morton between the hours of 10 a.m. & 3 p.m. Twelve members have already signed up.

The Chili Cookoff starts at noon on Sunday, December 18th, but entrants should get there a little early and bring their own accoutrements and side additives.

Kids to Breakfast will be held at our year end meeting on the December 30th. Breakfast (free for kids) will start at 7:45 a.m., and the Tommy Walker magic show will start at about 8:20. Tommy Walker, a young, award-winning Colorado magician who was to selected out of hundreds to perform at the Society of American Magicians national convention.

The Academy Optimist Club Annual Christmas Santa Train to the North Pole program led by **Joe and Donna Priester** of the Academy club is looking for a replacement. Traditional Santa, Joe Priester had to leave for California to comfort his sister who is gravely ill. Contact can be made with Mrs. Claus (Donna Priester) at 719-590-1217.

Frank Middleton was invited to the podium to remind everyone of the great job Chris Mulqueen has been doing for our caterer Heather, as she recovers from a broken leg. A familiar brass container was passed around for our annual thank you tip to the Chef. Over \$200 was collected for Heather and her crew.

Frank Middleton, left, recognizes Chris Mulqueen, substituting for Heather, for preparing our weekly breakfasts.

The Week Before Christmas at Monaco South

By Craig Eley 2016

'Twas the week before Christmas and all through the Club
The guys were at breakfast just eating their grub
The Tree Lot was lit with the greatest of care
In hopes that some customers soon would be there.

When I rang the brass bell in my lovely green shirt
Most awoke with a start, a few stayed inert.
While some no doubt prayed for my swift abdication
They all pledged allegiance this, our great nation.

The list of Club projects was what came up next
Our endeavors are many, and some quite complex.
For one group of guys frigid air doesn't matter, they
Will be delivering food baskets on Saturday.

Each basket is packed by our members with care
To make someone's Christmas, we're happy to share.
And a dozen volunteers from our Club will soon leave
For Sewall Child Center to sort toys it received.

And this Sunday we'll see, though some think it silly
Who in the Club makes the world's greatest chili.
This will take place at the Tree Lot where we
Drill, price and sell real live Christmas trees.

With Joe in the trailer and Russ on the lot
It takes all our members to sell what we've got.

On Oscar! On Steve! On Ralph, and on Wyatt!
If a customer looks at a tree, make them buy it!

On O.C.! On Allen! On Michael! On Bryce!
'Til the day before Christmas we won't cut the price!

And back in the corner a shed sits because
We've made it a house for our own Santa Claus.
To Thomson and Oss who are Santa, with others,
The kids all come in with their dads and their mothers.

In a cheery red suit with a white beard and mane
They give every child their own candy cane.
And they hear what kids want from those toy catalogues
And they kiss all the moms and they hug all the dogs!

And there's Art Fest and book sale and Channel 4 Toys
And there'll be Kids to Breakfast for our girls and boys.
And if that's not enough to keep our schedules straining
Tomorrow's the Club's first Brain Bowl reader training!

And White Elephant gifts! I almost forgot!
We'll all get some crap, whether wanted or not.

But that's what December is always about
At the Optimist Club of Monaco South!

Camaraderie Day

It was pronounced camaraderie was officially in session
by Prez **Craig. Ricardo Ortiz, Karl Geil, Peter Dimond**
and **Paul Stratton** were all dressed full GQ fashion and
looking very sharp indeed. The conversations were loud,
animated and filled with Christmas and Holiday Glee. Great
confidence coursed through the air in anticipation of the
Patriot beat down. **Jon Wachter** and **Scott Walker** were the
big orange duo of the morning. A good time was had by all.

There was a prankster on the loose. Seems like
somebody locked the storage room door from the inside

and all the club stuff was locked out. **Greg Young** rescued a
key from the kitchen crew and our president quickly
regained consciousness.

Drawing with Pot at \$90

The Jack of Clubs was the card to find. **Chris Dunphy**
and **Tom Glazier** draw a card, but no deal. Taking the Cups
were: **Chris Dunphy, Ed Collins (2), Scott Walker, Jack**
Kleinheksel, and **Dick Nickoloff**. **Wyatt McCallie** had a
chance for the pot by wearing his badge, but again, no deal.

New Club Comes to Life

The new Englewood Optimist Club, built around Junior Golf
and other O.I. Programs was officially Chartered on
Wednesday December 14, 2016 at the Englewood Municipal,
Broken-Tee Golf Club. The inducted comprised of 18 new and
5 seasoned Optimist members. Past Mayor **Randy Penn** was

THE OPTIMIST CREED — Promise Yourself . . .

To be so strong that nothing can disturb your peace of mind.
 To talk health, happiness and prosperity to every person you meet.
 To make all your friends feel that there is something in them.
 To look at the sunny side of everything and make your optimism come true.
 To think only of the best, to work only for the best, and to expect only the best.
 To be just as enthusiastic about the success of others as you are about your own.
 To forget the mistakes of the past and press on to the greater achievements of the future.
 To wear a cheerful countenance at all times and give every living creature you meet a smile.
 To give so much time to the improvement of yourself that you have no time to criticize others.
 To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
