

GRANDIOSE UTTERINGS OF MONACO SOUTH

The Optimist Club of Monaco South - Denver, Colorado

Colo. - Wyo. District
Volume 4, Number 13

Denver, Colorado
September 27, 1985

President Bob called Dean Satirio to open the meeting with an invocation and pledge of allegiance. Well done, Dean.

It was good to see Tom Evans back from a short visit to Alaska.

President Bob went wild with the bell this morning as this is one of the last times he gets to clang it in an official capacity.

Ailing - Larry Richter hopes to be back with us soon.

Please call or send a card to Terry Miller.

Birthdays - Dave Jones, Frank Middleton. "Happy Birthday" sounded like the Russian Chorus the morning after.

Arch Jefferies got us awakened with some choice stories.

Pat Bush announced the Installation Banquet for tonight up at Lookout Mountain.

Newest member Don O'Conner recognized by Lt. Gov. John Young. Also, Paul Saver was congratulated for sales Manager of the year by SWAP International.

Tom Mauro invited everyone over to his house for after banquet festivities, and gave directions to Oscar's house.

Square Dance - It is that time again and Dr. Ed is getting all charged up about it. Square Dancing is really a fun time. There was a good deal of interest shown when Dr. Ed announced that a big square dance party is being planned for October 19. Now that's a good Saturday night to kick up your heels and have a great time. Remember how much fun was generated at previous square dances. This one will be even better. Contact Dr. Ed Fankhauser for details if you miss them on Fridays.

Curt Lorenzen is looking for Goblins to call children on Halloween. This assures that children will be back home and out of danger before darkness takes over.

Bowling team in 4th place per Curt Jeffries.

Joe Marci, Sec. Treas., reported that dues are coming in very well. Keep those cards and letters coming. He also is looking for bridge players.

John Young introduced a "poet", Scott Friedman, Marketing Director for Toastmasters. Topic - Fishin' for a Mission.

1. Deterrents to success and how to overcome them
 - a. Selling yourself short - concentrate on your talents
 - b. Worry - "Do not take life so seriously", we recited as we poked our fingers in the ear of the person on our right.
2. Looking at circumstances as opportunities.

Our reactions to circumstances are important.
We have a choice of what our reactions will be.

3. Fishin' for a Mission

Have a purpose, be committed.

Think of what you would regret not doing if you had one more day of life.

Don't be afraid to take risks, challenge yourself.

"Show me a man with both feet on the ground, and I'll show you a man who can't put on his trousers".

Make a decision, make it your decision, and stick to your decision.

Thank you for coming and sharing with us, Scott.

Tom Vickery led us in the Optimist Creed.
